STRAY SHOTS.

Wm. J. Bryan has just spent ten days in Indiana and made more than fifty speeches. A quarter of a million people no doubt heard him in this State, as his crowds would at least average 5,000, and in some instances as many as 20,000 came to meet the former leader of Democracy. I had the honor of being his guest on his special train for a couple of days, and this is the keynote of his speeches:

"You may ask me how I can support Parker when he stands for gold, but my friends how trivial is the money question, when compared with human liberty and constitutional government. If Parker helps us to get all the things we are fighting for except on the silver question he will succeed where I have failed. Shall I begrudge him the glory? No, because it will not be all Parker's glory. It will be part mine if I help him do it. And yours, too, if you help to do it. It will not be a victory for the gold Democrats for without the silver Democrats who fought by my side there would be no Democratic party."

"I not only appeal to silver Democrats and laboring men, but to Republicans as well. You said you were afraid of me. If you would not help me save the country help Parker save it."

J. G. Trimble, who visited St. Louis recently, stopped en route home to visit friends at Paris, Ill., and Terre Haute, Ind. While in the latter place he met a number of prominent men and recalled the many changes that have taken place since his first visit to Terre Haute in 1849, before there were any railroads, and the chief artery of commerce was the old Wabash and Erie canal. He stopped at this place on his ninth days' ride from Kentucky. It is now the ninth hours' ride. At Paris, by the way, he took a horseback ride with the handsomest woman in Eastern Illinois, who is equally famed for her fine horsemanship.

Several Kentucky visitors to the World's Fair are stopping off at Charleston, Ill., to pay their respects to the numerous corn-crackers in that section.

Frank and Wigfall O'Hair, of Paris, Ill., are spending the week at the World's Fair with Frank Trimble and son, of Memphis, Tennessee.

Action of Democratic Committee.

Pursuant to call of the Chairman of the Democratic Committee of Wolfe County, the committee met at the office of J. C. Lykins, in the court house in the town of Campton, Ky., Saturday, Oct. 22, 1904. Present—A. B. Landrum, Chairman; J. R. Carroll, first precinct; W. W. Quicksall, second precinct; J. C. Lykins, third precinct; Wayne Bryant, fourth precinct; Isaac Hollon, fifth precinct; G. W. Salley, sixth precinct; Fielden Cox, seventh precinct; W. M. Oliver, eighth precinct; A. C. Oliver, ninth precinct.

The object of the meeting was explained by the Chairman to be that of selecting officers of the primary election to be held in the various voting precincts in Wolfe county on the 12th day of November, 1904, to nominate candidates for the various county offices in Wolfe county at the November election, 1905.

On motion, the following named persons were selected as the primary election board in the several voting precincts in Wolfe county, to wit:

Convulsion,
Fits, then
Epilepsy.

Dr. Miles' Restorative Nervine has been so successful in curing these brain-wrecking diseases that there is every reason to believe that even the most hopeless cases can be benefited, if not fully restored.

We will be pleased to refer any one thus afflicted to many who now enjoy the blessing of health, after years of hopeless suffering.

"I have a son that had brain fever when two years old, followed by fits of the worst type, and he was pronounced incurable. I spent hundreds of dollars for him, without relief. After about fifteen years he became so bad that we sent him to Longview hospital for the insane, at Logansport, Ind. He was there nearly three years, but he continued to grow worse, so we brought him home July 30, 1902, in an awful condition. He had lost his mind almost entirely. He hardly knew one of the family, could not even find his bed, was a total wreck. He had from 5 to 10 fits a day. We were urged to try Dr. Miles' Nervine, and before the first bottle was used, we could see a change for the better. We have given it to him ever since, and he has had but two very light spells since last August, 1903, and then he was not well other ways. We pronounce him cured, as he can work and go anywhere. If any one wishes to ask any questions concerning this, they are at liberty to do so."

E. H. BUNNELL, Lincoln, Ind.
Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

The author of "The Heart of the Ancient Wood" has a short novel in Lippincott's Magazine for November which will advance him in the favor of his friends and make him new ones. It is called "The Prisoner of Mademoiselle de Bien-court," and happens in Acadie, where "Evangeline" lived and loved. But it is a dashing French life that it pictures and it sparkles with brilliant action. There are 96 pages of story and not a line of it but is interesting. In cloth the novel would cost \$1.50, and every month Lippincott has a similar story, 12 complete novels a year, with numerous short stories, all of which may be had for \$2.50 a year.

William Crucey, of Lacy Creek, one of the substantial citizens of the county and ex-assessor, was on Wednesday night of last week suddenly stricken with paralysis and rendered speechless. But it does not seem to have affected any but his throat, we understand.

ONE FULL QUART OF
WHISKEY FREE

We know the meaning of words and will do as we say. We claim to be the lowest-priced Whiskey House and the Largest Multi-Order Whiskey Concern in the South. All the North Carolina Whiskey we sell is good—there's no bad. People here wouldn't adulterate if they knew how—they are too honest! Most whiskey sellers are noted for mixing, blending and watering. We sell more genuine old whiskey and less water than any known competitor. "Casper's 11 Year Old Whiskey" is a liquid joy! It's made by honest people in the mountains of North Carolina, in old-style copper stills, just as it was made by our grandfathers. First-rate whiskey is sold at \$5.00 to \$6.00 per gallon, but it's not any better than "Casper's 11 Year Old." It must please or we will buy it back. We have a capital of \$500,000 and the People's National Bank and the Piedmont Savings Bank of this city will tell you our word is good. To introduce this old, honest whiskey, we offer four Full Quarts of "Casper's 11 Year Old"—two sample bottles, one 15, one 18 year old—a cork-screw and a drinking glass—all for \$2.95. If \$5.00 is sent we will double the above and put in free One Full Quart Extra, making this whiskey cost less than \$2.50 per gallon delivered. We ship in plain boxes with no marks to indicate contents, and prepay all Express. Shipped West of Texas, Kansas, Nebraska and Lakota must add 20 cents per quart extra.

STATE COLLEGE OF KENTUCKY,
Lexington, - - Kentucky.

The Agricultural and Mechanical (State College) of Kentucky offers the following courses of study, viz: Agricultural, horticultural, chemical, biological, mathematical, physical, normal school, classical, mechanical engineering, electrical engineering, civil engineering, mining engineering, each of which extends over four years and leads to a degree. Post graduate studies are also provided, leading to a master's degree. Each course of study is organized under a separate faculty. The general faculty number nearly fifty professors and instructors. County appointees receive tuition, room rent in dormitories, fuel and light, and if they remain ten months, traveling expenses. The laboratories and museums are large, well equipped, comprehensive and modern. The Legislature appropriated \$60,000 for a college home for young women, and \$50,000 for drill hall and gymnasium for men. Both buildings are completed and in use. Military tactics and science are fully provided for as required by Congress. Graduates from the several courses of study readily find excellent positions and liberal remuneration. The demand is largely in excess of the ability of the college to supply. Last year the matriculation was 750. Specialists with the necessary number of assistants have charge of each department of natural science. Summer schools are provided for pedagogy, engineering and instruction in science. The State College of Kentucky, though bearing hitherto the title of "college," is the only institution in the Commonwealth doing in any proper sense university work. The completion of the college home for young women provides facilities for good board and lodging. It is equipped with all modern conveniences, including bath rooms and room for physical culture. It is heated by steam and lighted by electricity. An opportunity is thus afforded to them of a thorough education in classics, modern languages, literature, science, mathematics, logic, metaphysics, history and political economy. No other institution in the State offers advantages for education of women at all comparable to those offered by the State College of Kentucky. For catalogues, method of obtaining appointments, information regarding courses of study, and terms of admission, apply to JAMES K. PATTERSON, Ph. D. LL. D. Or to D. C. CHALLENGE FROM J. TAYLOR DAY.

Offer to Refund Money if Dr. Howard's Specific Will Not Cure Any Case of Constipation or Dyspepsia.

J. Taylor Day is seeking the worst case of dyspepsia in Hazel Green or vicinity to test Dr. Howard's new specific for the cure of those diseases.

So confident is he that this remarkable medicine will affect a lasting cure in a short time, that he offers to refund the money should it not be successful.

In order to secure the quickest possible introduction J. Taylor Day will sell a regular fifty cent package of this medicine at half price, 25 cents.

This specific of Dr. Howard's will cure sick headache, dizzy feelings, constipation, dyspepsia, and all forms of malaria and liver trouble. It does not simply give relief for a time; it makes permanent and complete cures.

It will regulate the bowels, tone up the whole intestinal tract, give you an appetite, make food taste good and digest well, and increase vigor. Joy and happiness will take the place of that "don't care whether I live or die" feeling.

Take advantage of J. Taylor Day's challenge and secure a bottle of Dr. Howard's Specific at half price, with his personal guarantee to refund the money if it does not help you.

There is no need of suffering with constipation, dyspepsia or liver disease when you can get sixty doses of a scientific medicine for their cure like Dr. Howard's Specific for the small sum of 25 cents.

When you deposit your money with the Provident Savings Bank and Trust Company, of Cincinnati, Ohio, you can get it back when you want it. With a paid capital of \$500,000.00 and its affairs handled by a conservative board of directors the bank has steadily increased its business since it was organized.

DEMOCRATIC TICKET.

FOR PRESIDENT.

ALTON BROOKS PARKER,
OF NEW YORK.

FOR VICE PRESIDENT.

HENRY C. DAVIS,
OF WEST VIRGINIA.

FOR CONGRESS, 10th DISTRICT.

HON. FRANK A. HOPKINS,
OF FLOYD COUNTY.

When Cortelyou waves his "big stick" the Trusts cry in a chorus, "Don't throw it, Mr. Secretary, we'll come down."

Wish for 30,000 majority and pray for 50,000, but as prayers are not always effective without good works do a little more working than praying.

This campaign will settle all Republican claims to Kentucky. Governor Beekham redeemed it last year with 27,000 majority and this year the Democrats will try and increase that. All future Republican nominations in this State will be made solely with a view to the offices in view and not to the wounds.

Every man who supports the Republican ticket is a man who is against the Gold Standard. Kentucky against every man who has failed. With the exception of a handful of office-holders and office-seekers, not a dozen in all by actual count, the gold men are back in line. They are tired of Taylorism and Rooseveltism.

A Love Letter

Would not interest you if you're looking for a guaranteed Salve for Sores, Burns or Piles? Otto Dodd, of Ponder, Minn., writes: "I suffered with an ugly sore for a year, but a box of Bucklen's Arnica Salve cured me." It's the best Salve on earth. 25c., at all druggists.

The Democratic newspapers of Kentucky have done valiant service in this campaign. They have given most generously of their time and space, without suggestion of reward. No request from the Campaign Committee has been denied. The victory in November will be largely due to their unselfish labors.

We have just been informed by a private source that Booker T. Washington has caught the finest 'possum in Alabama, and is collecting the largest sweet'aters in the Sunny South for his Thanksgiving dinner, to which his chum, Ted, is to have a gilt-edge invitation. Booker evidently believes in reciprocity.

Broke Into His House.

S. Le Quinn, of Cavendish, Vt., was robbed of his customary health by invasion of Chronic Constipation. When Dr. King's New Life Pills broke into his house, his trouble was arrested and now he's entirely cured. They're guaranteed to cure. 25c., at all druggists.

OLLIE JAMES will be arrested for cruelty to animals if he does not deal more mercifully with Speight, or Spat, or Spit—or whatever this nincompoop's name is who thinks he is running for congress against him. The first time they met in joint debate Ollie broke him in two and threw away the pieces, but the man with the cuspidor name gathered his fragments together and insists upon being smashed some more. It is a waste of time for Ollie to notice him again, besides messing up the place.

OUR CHANCES OF SUCCESS.

This review of the political situation will give every reader an opportunity to figure the result in the national contest for himself. There are 476 electoral votes and 239 are necessary to a choice. It seems certain that Parker and Davis will carry all the states that went for Bryan in 1900 and we start with that premise. Here is one combination that is possible, if not probable:

Bryan's vote in 1900.....	155
New York.....	36
Maryland.....	8
Indiana.....	15
West Virginia.....	6
New Jersey.....	10
Connecticut.....	6
Delaware.....	3
Total.....	239

Here is another that will bring victory, and it is not as difficult as it may appear:

Bryan's vote in 1900.....	155
New York.....	36
Maryland.....	8
California.....	9
Nebraska.....	8
New Jersey.....	10
Indiana.....	15
Total.....	241

The next compilation includes a number of the Western States that went for Bryan in 1896 and that is a won-over to the support of Bryan and Davis.

Bryan's vote in 1900.....	155
New York.....	36
Maryland.....	8
South Dakota.....	4
Washington.....	4
Wyoming.....	3
Nebraska.....	6
West Virginia.....	5
Indiana.....	15
Total.....	239

The concluding table proves that the Democratic ticket has a royal chance to win if only three of the doubtful states in the West follow the example of New York and New Jersey and rally to the Democratic standard:

Bryan's vote in 1900.....	155
New York.....	36
New Jersey.....	10
Maryland.....	8
Total.....	209

Necessary to an election..... 239
The thirty needful votes are to come from the following states, in every one of which the Democrats have more than a fighting chance:

Indiana.....	15
West Virginia.....	6
Wisconsin.....	12
Nebraska.....	8
South Dakota.....	4
Washington.....	4
Wyoming.....	3
Total.....	52

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also used this wonderful medicine, and today she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infalible for Coughs and Colds. 50c., and \$1.00 bottles guaranteed by all druggists. Trial bottles free.

ONE week from next Tuesday and the battle will be over. There is no time to waste. Find out what your neighbor is going to do, and if he is out of line, try and show him the error of his way. A little missionary work at this time will save many a political soul from destruction.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
